

# PASS IT ON FUNDRAISER 2022-2023

## WHO WE ARE

The Friendship Aspire Lab School for Dyslexia model is unique. It is a Kindergarten – 8th grade school in Central Arkansas in the city of Maumelle.

It's dedicated to teaching students who struggle with characteristics of dyslexia as well as those with language-based learning differences that become a learning barrier in the general education setting.

## OUR PLAN

We are asking each family to pledge at least \$50 to help fund our goals for this school year. We are also asking each family to "PASS IT ON" to three or more family members, businesses, friends who know how much we LOVE our school and how our kids benefit every day!

DONATIONS of any amount accepted. We will accept cash, check and cash app transactions to our school cash app account:
